服务, 不止于检测!
SERVICE, MORE THAN TESTING!

大型研究型检测机构
A LARGE RESEARCH-ORIENTED TESTING INSTITUTION

微谱科技集团
WEIPU Technology Group

大型研究型检测机构

微谱, 大型研究型检测机构, 始于2008年, 总部位于上海, 是科技服务改变世界的践行者。

微谱聚焦先进制造、生物医药、美丽健康、生态环保、食品农产品五大领域, 向社会提供分析测试、检测评价、研发服务、计量校准、认证审核、知识产权六大服务, 全方位的技术解决方案助力客户取得更大成功。

微谱现已在全国30多个城市设立分子公司以及50多个专业实验室, 拥有3000余名专业人员。微谱是中国合格评定国家认可委员会(CNAS)认可的、市场监督管理局资质认定(CMA)的、国家认证认可监督管理委员会批准的大型第三方检测认证机构, 也是国家药品监督管理局批准的化妆品注册和备案检验检测机构, 具有海关总署颁发的进出口商品检验鉴定机构资格, 也拥有农产品CATL(农产品质量安全检测)资质, 实验动物使用许可证, 病原微生物BSL-2实验室, ISO9001质量管理体系认证等。同时微谱也是国家工业和信息化部认定的国家产业技术基础公共服务平台、国家服务型制造示范平台、国家中小企业公共服务示范平台、国家专精特新小巨人企业。基于十七年的专业技术积累和遍布全国的服务网络, 微谱每年出具超过27万份技术报告, 累计服务客户30万余家, 其中包括世界五百强客户百余家。

微谱始终秉承“ **服务, 不止于检测!** ”的理念, 尽心尽力让科技进步更快, 让产品质量更好, 让人类生活更安全、更健康、更绿色!

WEIPU, a large-scale research-oriented testing institution, was founded in 2008 and is headquartered in Shanghai. He is a practitioner of technology services that change the world.

WEIPU focuses on five fields: advanced manufacturing, biomedicine, beauty and health, ecological environmental protection, and food and agricultural products. It provides six services to the society: analysis and testing, detection and evaluation, research and development services, metrology and calibration, certification and audit, and intellectual property. The all-round technical solutions help customers achieve greater success.

At present, WEIPU has established subsidiaries and more than 50 professional laboratories in more than 30 cities across the country, with more than 3,000 professionals. WEIPU is a comprehensive third-party inspection and testing institution accredited by the China National Accreditation Service for Conformity Assessment (CNAS) and qualified by the Market Supervision and Administration Bureau for certification (CMA) and approved by the Certification and Accreditation Administration of the People's Republic of China. It is also a cosmetics registration and filing inspection and testing institution approved by the National Medical Products Administration. It has the qualification of an import and export commodity inspection and appraisal institution issued by the General Administration of Customs, as well as the CATL (agricultural product quality and safety testing) qualification, laboratory animal use permit, pathogen BSL-2 laboratory, ISO9001 quality management system certification, etc. At the same time, WEIPU is also a national industrial technology basic public service platform, a national service-oriented manufacturing demonstration platform, a national demonstration platform for public services for small and medium-sized enterprises, and a national specialized, refined, peculiar, and new little giant enterprise recognized by the Ministry of Industry and Information Technology. Based on seventeen years of professional technical accumulation and a service network all over the country, WEIPU issues more than 270,000 technical reports every year and has served more than 300,000 customers in total, including more than one hundred Fortune 500 customers.

By always upholding the concept of “Service, More Than Testing!” WEIPU makes every effort to enable faster technological progress, better product quality, and safer, healthier and greener human life!

发展历程

2024

战略**并购飞尔**，深耕**有色金属检测领域**；
新增基地**14个**，面积超**2万平米**，涉及领域含**食品、**
生物科技、医疗器械 (EMC)、整车测试、环境等。

Strategic acquisition of FAIR to deepen presence in the non-ferrous metal testing sector; adding 14 new bases with an area exceeding 20,000 square meters, covering sectors including food, biotechnology, medical devices (EMC), whole vehicle testing, environmental, and more.

2023

微谱被认定为
第五批国家产业技术基础公共服务平台。

WEIPU has been identified as The fifth batch of national industrial technology basic public service platforms.

2022

凝心聚力、破浪前行，
微谱销售额破10亿大关。

Gathered the minds and broke the waves; WEIPU's sales have surpassed the 1 billion RMB mark.

2021

进入**动物实验研究领域**；
进入**新能源车热管理、半导体等相关领域。**

Entered the animal experimentation research field; Entered the fields of thermal management of new energy vehicles, semiconductors, etc.

2020

进入**食品农产品检测及审核领域**；
进入**生物安全检测领域。**

Entered the food and agricultural products testing and audit field; Entered the biosafety testing field.

2018

进入**药物研发、测试及临床研究领域**；
布局**生物分析研究服务**；
微谱**苏州环境检测基地**开业。

Entered the drug R&D, testing and clinical research field; Planned for bioanalytical research services; Opened WEIPU (Suzhou) Environment Detection Base.

2015

微谱总部新办公楼落成入住
微谱销售额突破1亿元。

Completed and put into operation the new office building of WEIPU Headquarters; WEIPU's business scale exceeded 100 million yuan.

2014

进入**生物医药分析检测及研究领域**；
进入**化妆品和消毒产品检测领域。**

Entered the biomedicine field; Entered the cosmetics and sterilization products testing field.

2012

成立**广州分公司**，
布局华南业务市场。

Founded WEIPU Guangzhou Company, planning for market expansion in South China.

2008

上海微谱分析测试中心在同济大学科技园内成立，
主营**分析测试**，技术开发等业务；
并在**业内首次提出“微谱分析”**的概念。

Shanghai WEIPU Analysis and Testing Center was founded in the National Science and Technology Park of Tongji University. It is specialized in businesses including analysis, testing and technology development, and proposed the concept of "microspectral analysis" for the first time in the industry.
